Recommendation	When	Status
DEPARTMENT Effectiveness of Ministry Annual Reporting: **Improve performance reporting** We recommend that the Department of Arts, Culture and Status of Women improve performance reporting in their ministry annual report. **Consequences of not taking action:** Without improved performance reporting, Albertans will lack a clear and accurate understanding of ministry results, priorities, and value for money. Annual reports will remain misaligned with strategic plans, omit key insights, and not fully support informed decision-making. These gaps can reduce transparency and accountability and may affect public confidence in government reporting.	November 2026, p. 8	Not Ready for Assessment
