- 1 New Recommendation
- 0 Outstanding Recommendations
- 0 Outstanding Recommendations Older than 3 Years
- 0 **READY** for Follow-up Audit
- 1 **NOT READY** for Follow-up Audit

We issued unqualified independent auditor’s reports on the 2017–2018 financial statements for the Ministry of Labour and the Workers’ Compensation Board – Alberta.

The ministry financial statements only include the Department of Labour. The financial statements of the Workers’ Compensation Board – Alberta are not consolidated into the ministry financial statements.

In our *Occupational Health and Safety Follow-up* audit (see “Performance Audit Reports”), we report that the department has implemented two Recommendations.

In our *Systems to Update Alberta’s Workforce Strategies* audit (see “Performance Audit Reports”), there is one new recommendation to the department.
