Outstanding Recommendations

Department

Management has identified this recommendation as implemented—to be confirmed with a follow-up audit:

Occupational health and safety: Work Safe Alberta planning and reporting—July 2016, no. 3, p. 41 (originally April 2010, p. 43)

We again recommend that the Department of Labour improve its planning and reporting systems for occupational health and safety by evaluating and reporting on whether key OHS programs and initiatives achieve desired results.

Occupational health and safety: Promoting and enforcing compliance—July 2016, no. 4, p. 43 (originally April 2010, no. 3, p. 39, repeated July 2012, no. 12, p. 83)

We again recommend that the Department of Labour clarify and enforce its procedures to approve giving employers extra time to fix worksite health and safety problems
