Detailed recommendation list (by report, newest to oldest)

Recommendation	When	Status
<p>DEPARTMENT Indigenous Economic Participation:</p> <p>Improve performance reporting process</p> <p>We recommend that the Department of Indigenous Relations improve its performance reporting process for its programs to achieve increased Indigenous economic participation by:</p> <ul style="list-style-type: none"> implementing performance measures and targets for all programs analyzing program performance, including the reporting it receives from funding recipients, to compare to user needs, planned results and program costs reporting its analysis of program results and achievement of the ministry desired outcome, including lessons learned <div style="border: 1px dashed black; padding: 5px;"> <p>Consequences of not taking action: Without effective processes to monitor progress and report on results of its economic development and training programs, Indigenous Relations risks not achieving planned results and not demonstrating value for taxpayer money spent. Long-term planned results may succumb to short-term considerations. Information necessary to make decisions that support what is working well, and that identify the changes needed for what is not working well, will not be available.</p> </div>	May 2022, p. 14	Ready for Assessment
